

LIVELIHOODS AND DUMP CLOSURES

IT IS possible to protect people and the environment and also protect livelihoods!

Don't throw them out. Bring them in!

IF YOU HAVE ideas or good examples of dump closures that include livelihood protection please share with us: Sonia.Dias@WIEGO.org

The needs and demands of waste pickers are shaped by local context. These guidelines are based on WIEGO's experience of the grounded reality of waste pickers and the expertise of our waste team. READ the full text of WIEGO's Position on Dump Closures at: www.wiego.org
